ANNOUNCEMENT REF. CD031018 FOR AN OPENING OF AN INTERNATIONAL CALL FOR RECRUITMENT OF A PHD RESEARCHER

1. At a meeting of the Board of Trustees of the Calouste Gulbenkian Foundation, it was decided to open an international call for one PhD position to carry out scientific research activities in the area of Biological Sciences at the Instituto Gulbenkian de Ciência (IGC), Oeiras, Portugal, within an undefined term contract of employment under the Labor Code, with the purpose of filling one position within the scope of project nº 31018, entitled “Posttranscriptional regulation of ABA-dependent stress responses during early plant development”. The work plan will have a duration of 8.5 months, starting on December 15, 2018, and the goal is to finalize the functional and molecular characterization of an Arabidopsis thaliana loss-of-function mutant impaired in the response to abiotic stresses during seedling growth.

2. Applicable legislation
   • Labor Code, approved Law no. 7/2009, of February 12, in its current version.
   • Law no. 57/2016, of August 29, approving authorization to contract PhD holders to stimulate scientific and technological employment in all areas of knowledge (RJEC), subsequently amended by Law No. 57/2017, of 19 July.
   • Regulatory Decree No. 11-A / 2017 of December 29.

3. In accordance with Article 13 of RJEC, tender selection panel will be as follows: President: Paula Duque; Members: Esther Novo-Uzal, Tom Laloum, and Guiomar Martin.

4. The place of work is the Instituto Gulbenkian de Ciência at Rua da Quinta Grande, 6, Oeiras, Portugal.

5. The monthly remuneration to be attributed is the 33rd level of the single remuneration table (TRU), approved by Portaria no. 1553-C/2008, December 31, amounting to 2,128.34 Euros.

6. Applicants to this call can be national, foreign and stateless candidates who hold a doctoral degree in biology, biochemistry or related fields and have a scientific and professional curriculum that demonstrates an adequate profile for the activity to be developed. If the doctorate degree was awarded by a foreign higher education institution, it must comply with the provisions of Decree-Law no. 341/2007, of October 12, and all formalities established therein must be complied with at the stage of signing the contract. In case the doctorate degree of the selected candidate does not comply with the above-
mentioned Decree-Law including all its formalities, the Jury reserves the right to select the candidate with the next best classification.

7. General tender admission requirements are: PhD in biology, biochemistry or related fields, and experience in molecular biology. Expertise in molecular cloning and experience with the plant model *Arabidopsis thaliana* are preferred but not essential.

8. Pursuant to Article 5 of REJC, the selection is to be made based on the candidate’s scientific and curricular evaluation and on the relevance, quality and timeliness of scientific production of the last five years considered most relevant by the candidate.

9. The five-year period mentioned above can be extended by the panel, if requested by the candidate, when justified on grounds of suspension of scientific activity for socially protected reasons, such as parental leave, prolonged serious illness, and other situations of unavailability for work that is legally protected.

10. Evaluation criteria: Applications will be evaluated according to the analysis of the documents presented – *Curriculum vitae* (60%), motivation letter (10%), references (20%) and interview of the selected candidates (10%). The interview, if carried out, will focus on the research outcomes of the candidate.

11. The deliberation is done through the nominal vote of the Jury according eligibility and selection procedures. No abstention is allowed. The final classification system for candidates is expressed on a scale of 0-100.

12. Minutes of the panel meeting should be drawn up to include a summary of all occurrences of the said meeting, as well as all votes cast by the members with the respective justification together with an ordered list of approved candidates with their respective classification. These minutes should be made available to candidates whenever requested.

13. The final decision of the jury should be validated by the institutional leader who also decides on the recruitment.

14. Application formalization:
14.1. A written request should be sent to the Director of the Instituto Gulbenkian de Ciência to the email duquep@igc.gulbenkian.pt. The request must include the following information: reference of the announcement, full name of the applicant, number and date of validity of the identity card or passport, tax identification number and address, date and place of birth, contact address, including e-mail address and telephone contact.
14.2. Applications should include support documents (PDF format) and proof of the conditions laid down in above points for admission to this call, mainly:
   a) Copy of certificate or doctoral diploma referring its conclusion date;
   b) Detailed Curriculum vitae, structured in accordance with the above items, including a description of the most relevant scientific activities of the last 5 years
   c) Other documents relevant to the evaluation of qualifications in related scientific areas;

14.3. The deadline for the applications submission of this announcement is hereby set at the period of 10 work days after publication of this announcement (Application Period: From November 15, 2018 until November 28, 2018).

15. All candidates who formalize their application incorrectly or who fail to provide the requirements imposed by this tender are excluded from admission. In case of doubt, the panel is entitled to request further documentation to support candidate statements.

16. False statements by candidates shall be punished by the law.

17. The list of admitted and excluded candidates as well as the final classification list will be published on the Instituto Gulbenkian de Ciência internet site http://www.igc.gulbenkian.pt . The candidates will be notified by e-mail with receipt of delivery of the notification.

18. The final decisions of the panel are pronounced within 90 days from the deadline of the submission of the applications. After notification, candidates have 10 working days to respond.

19. This tender is exclusively destined to fill this specific vacancy and can be terminated at any time until the validation by the institutional leader, expiring with the respective occupation of the said vacancy.

20. The contract of employment of undefined termination resulting from this vacancy, will expire due to the supervening, absolute and definitive impossibility of being given continuity if its respective funding is terminated without prejudice to the communication of its termination to the worker, in accordance with the provisions of article 345 of the Labor Code.

21. Non-discrimination and equal access policy:
The Instituto Gulbenkian de Ciência of the Calouste Gulbenkian Foundation actively promotes a non-discrimination and equal access policy, wherefore no candidate can be privileged, benefitted, impaired or deprived of any rights.
Whatever, or be exempt of any duties based on ancestry, age, sex, sexual preference, marital status, family and economic conditions, education, origin or social conditions, genetic heritage, reduced work capacity, disability, chronic illness, nationality, ethnic origin or race, origin territory, language, religion, political or ideological convictions and union membership.

22. Pursuant to D.L. No. 29/2001, of February 3, disabled candidates have preference in an equal classification situation, which supersedes any legal preference. Candidates must declare, on their honor, on their application form during the selection period under the regulations above, their respective disability degree, the type of disability and the communication/expression means to be used.
