Project Manager (post award)
Instituto Gulbenkian de Ciência, Oeiras, Portugal

The Instituto Gulbenkian de Ciência (IGC) is looking for a highly motivated Project Manager as member of a Project Management Team

The Instituto Gulbenkian de Ciência (IGC, www.igc.gulbenkian.pt) is owned by the Fundação Calouste Gulbenkian, a private charitable foundation promoting innovation in charity, arts, education and science. The IGC is an internationally recognised research institute devoted to biological and biomedical research, innovative training and to transforming society through science, towards “solving tomorrow’s challenges”. The values IGC thrives to and aims to spread to society are scientific excellence, originality, open communication, tolerance and cooperative independence. IGC strategy also includes investment in outstanding central facilities, participation and development of national and international networks and activities, as well as in public dissemination, outreach activities and the promotion of science in the developing world (see more and quantitative info in http://www.igc.gulbenkian.pt/annualreport). The IGC has a vibrant environment, composed by approximately 400 people, 300 scientists, amongst which 30% are foreigners from over 40 nationalities.

ROLE

- Financial and administrative management of financed project (national and international)
- Together with the project head (principal investigator or facility head) coordinate the project(s) since their award until final report to the financing party, assisting in possible audits.
- Assist on the necessary recruitment foreseen in the project(s)
- Assist on tender preparation for equipment purchases foreseen in the project(s)
- Liaison with HR department for all necessary matters of the project(s) under his/her responsibility
REQUIREMENTS
- A minimum of 3 years’ experience of post-award management of scientific projects funded by national and international funders. Preference for candidates with experience on European projects (ex. FP7, H2020, ERC, Marie Skłodowska-Curie, etc…)
- Knowledge of general accounting, cost controlling and financial reporting principles
- Despite working in a team must have autonomy and responsibility to take decisions
- SAP Project module experience
- Intercultural skills and high capacity to work in a team
- Fluent in English

WE OFFER
- Competitive salary depending on candidate level of expertise
- Continuous training
- Career development perspectives
- Fantastic working atmosphere
