Coordinator for the Cidadania Ativa Programme  
Instituto Gulbenkian de Ciência, Oeiras, Portugal

The Instituto Gulbenkian de Ciência (IGC) is looking for a highly motivated and ambitious person to implement citizen science and citizen consultation activities within the frame of Cidadania Activa project, including both the Ciência Cidadã and the Citizens Assembly initiatives, funded by the Oeiras City Hall.

The Instituto Gulbenkian de Ciência (IGC, www.igc.gulbenkian.pt) is owned by the Fundação Calouste Gulbenkian, a private charitable foundation promoting innovation in charity, arts, education and science. The IGC is an internationally recognised research institute devoted to biological and biomedical research, innovative training and to transforming society through science, towards “solving tomorrow’s challenges”. The values IGC thrives to and aims to spread to society are scientific excellence, originality, open communication, tolerance and cooperative independence. IGC strategy also includes investment in outstanding central facilities, participation and development of national and international networks and activities, as well as in public dissemination, outreach activities and the promotion of science in the developing world (see more and quantitative info in http://www.igc.gulbenkian.pt/annualreport). The IGC has a vibrant environment, composed by approximately 400 people, 300 scientists, amongst which 30% are foreigners from over 40 nationalities.

ROLE(s):

- Coordinate between different stakeholders (scientists, schools, citizens, etc.);
- Develop a new, multidisciplinary, approach to citizen science projects;
- Motivate and coordinate volunteers;
- Implement public consultation strategies;
- Help design long term strategies for citizen science;
- Support fundraising initiatives;
- Assess Impact.

REQUIREMENTS:
- PhD in any scientific domain;
- Leadership skills;
- Organisational skills;
- Sociability skills;
- Excellent writing and oral communication skills;
- Intercultural skills and high capacity to work in and lead teams;
- Fluency in Portuguese and English.

Preference may be given to candidates who have experience in:
- Ecology projects;
- Science communication and/or outreach projects;
- Teaching and education;
- Working with different stakeholders, particularly teachers and students;
- Science education projects;
- Impact assessment tools.

WE OFFER
- A 12 month working contract, with possibility of renewal
- Competitive salary depending on candidate level of expertise
- Continuous training
- Career development perspectives
- Dynamic working atmosphere

APPLICATION PROCESS:
- Interested candidates should send to the email igcpositions@igc.gulbenkian.pt with the subject “CS_name of candidate”, one PDF file with Letter of Motivation (2 page max), a vision for Science and Society (1 page max), detailed Curriculum Vitae and contacts of two references.

The deadline for the applications submission of this announcement is hereby set at the 30th January 2019.

SELECTION PROCEDURE:
After a pre-analysis of Curriculum Vitae, vision, letter of motivation and recommendations, selected candidates will be contacted for an interview.

NON- DISCRIMINATION AND EQUAL ACCESS POLICY:
The Instituto Gulbenkian de Ciência of the Calouste Gulbenkian Foundation actively promotes a non-discrimination and equal access policy, wherefore no candidate can be privileged, benefitted, impaired or deprived of any rights whatsoever, or be exempt of any duties based on ancestry, age, sex, sexual preference, marital status, family and economic conditions, education, origin or social conditions, genetic heritage, reduced work capacity, disability, chronic illness, nationality, ethnic origin or race, origin territory, language, religion, political or ideological convictions and union membership.
